

Tiburon International Film Festival

The Tiburon International Film Festival seeks to provide a greater understanding of the world and its many cultures through the artistic medium of film

Rwanda & Juliet

Sat July 9

1:30pm-3pm

Documentary, USA / Rwanda
Director: Ben Proudfoot

Twenty years have passed since the 1994 Genocide that left 1,000,000 Tutsis dead. Predominantly orphans, the cast of young Rwandans, led by a stunning, strong headed Juliet, tackle their country's past and their own futures as hopes, expectations, pasts, personalities and cultures collide as opening night of Shakespeare's Romeo and Juliet approaches.
