

Contract No.	Location and Task	2014	2015	2016	2017	2018	2019	2020
Service Contract	Collect & outgrow seed, propagate plants to provide to contractor for contract #1 (woody riparian, oak woodland, wetland establishment)							
Arkelian Offsite Mitigation Parcel								
CCO	North Coast semaphore grass rehabilitation		→					
CCO	Wetland rehabilitation		→					
Benbow Offsite Mitigation Parcels								
CCO	Baker's meadowfoam rehabilitation		→					
1	Wetland establishment					→		
2,3,4,5,6	Wetland rehabilitation						→	
CCO/1	Riparian rehabilitation				→			
DO	Other waters rehabilitation				→			
Brooke Offsite Mitigation Parcels								
1	Other waters rehabilitation					→		
1	Riparian establishment					→		
CCO/1	Riparian rehabilitation				→			
1	Oak Woodland Establishment					→		
Ford Offsite Mitigation Parcels								
CCO	Baker's meadowfoam rehabilitation		→					
1	Wetland establishment					→		
2,3,4,5,6	Wetland rehabilitation						→	
1	Riparian establishment					→		
CCO/1	Riparian rehabilitation				→			
DO	Other waters rehabilitation				→			
Frost Offsite Mitigation Parcel								
CCO	North Coast semaphore grass rehabilitation		→					
CCO	Baker's meadowfoam rehabilitation		→					
2,3,4,5,6	Wetland rehabilitation						→	
DO	Other waters rehabilitation				→			
Huff Offsite Mitigation Parcel								
CCO	Wetland preservation		→					
CCO	Other waters preservation		→					
Huffman Offsite Mitigation Parcel								
CCO	North Coast semaphore grass establishment	→						
Goss/MGC Plasma North and Middle Offsite Mitigation Parcels								
CCO	North Coast semaphore grass rehabilitation		→					
CCO	Baker's meadowfoam rehabilitation		→					
DO	Wetland establishment				→			
2,3,4,5,6	Wetland rehabilitation						→
