CALIFORNIA COASTAL **CLEANUP DAY**

Saturday September 15, 2012 / 9am – Noon

Let's make this year's cleanup even greener. Bring your own reusable cleaning supplies and try to use alternative transportation when traveling to the event. And together, we can all help reveal the natural beauty of California's coastlines.

For more information visit CoastalCleanupDay.org or call 1-800-COAST-4U.
