OAKLAND HARBOR
CALIFORNIA

CONGRESSIONAL DISTRICT: 8th District, Rep. Nancy Pelosi; 9th District, Rep. Barbara Lee; 13th District, Rep. Pete Stark

PROJECT DESCRIPTION: Provides for maintenance of parallel rubble-mound jetties at the entrance to Oakland Inner Harbor, maintenance dredging an entrance channel 600-800 feet wide and -42 feet deep to Oakland Outer Harbor, thence a channel and turning basin -42 feet deep and from 600-950 feet wide in the Outer Harbor to Oakland Army Base; maintenance dredging an entrance channel to Oakland Inner Harbor, -42 feet deep and 600 feet wide, to Howard Terminal, thence -35 feet deep to Government Island, thence a channel 275 feet wide and -18 feet deep to San Leandro Bay. Provides for reimbursement to Alameda County for operation and maintenance of Fruitvale Avenue Railroad Bridge.

FISCAL YEAR 03 BUDGET: \$11,204,000

PRESENT STATUS: Deepening of the Outer and Inner Harbors to -42 feet was completed in July 1998, and deepening to -50 feet began in FY01. Maintenance dredging of the harbor channels is scheduled on an annual basis. The last scheduled maintenance dredging of the Inner and Outer Harbors was completed in December 2001.

FUTURE EFFORTS: The next scheduled maintenance dredging of the Inner and Outer Harbors is July 2002.
