

# LONG TERM MANAGEMENT

## *Workshop Notice*

### Long Term Management Strategy for the Placement of Dredged Material in the San Francisco Bay Region

### LTMS MANAGEMENT PLAN

Thursday, April 8<sup>th</sup>, 1999, 9:30 a.m. to 11:50 a.m.  
San Francisco Bay Regional Water Quality Control Board  
1515 Clay Street, Oakland  
(If you arrive by BART, take the 11th Street exit.)

The topic for this workshop (decided at the March 25<sup>th</sup>, 1999 workshop) is the **Draft Outline for the LTMS Management Plan**, which we will discuss in order to **decide on topics and schedules for future workshops**. Harry Seraydarian, of USEPA, will facilitate the workshop. Enclosed with this notice please find: **(1)** a proposed agenda for the April 8<sup>th</sup> workshop; **(2)** a brief summary of the March 25<sup>th</sup> workshop; and **(3)** a copy of the Draft Outline for the LTMS Management Plan. If you have comments about the agenda, please contact Jaime Michaels (contact info. below). For further information about the workshops, including more detailed notes from the March 25<sup>th</sup> workshop and copies of comment letters received this year, please visit the LTMS web site at:

<http://www.spn.usace.army.mil/ltms/workshop.html>

(the LTMS Final EIS/EIR can also be accessed from this site)
