

LONG TERM MANAGEMENT STRATEGY

Workshop Cancellation Notice

Long Term Management Strategy for the Placement of Dredged Material in the San Francisco Bay Region

LTMS Management Plan

**Thursday, February 25, 1999, 9:30 a.m. to 11:50 a.m.
San Francisco Bay Conservation and Development Commission Office**

The February 25, 1999, workshop has been canceled in part due to discussions and comments at the last workshop held on January 28, 1999. In brief, workshop attendees expressed concern about the direction and goals of future workshops (see attached minutes of January 28, 1999, workshop). Although workshops will continue, the LTMS Agencies are re-evaluating how best to proceed with and conduct future meetings. A notice and tentative agenda regarding the next workshop will be mailed to all interested parties within a few weeks. Please contact us if you have questions.
