

# LONG TERM MANAGEMENT STRATEGY

## Workshop Notice

### **Long Term Management Strategy for the Placement of Dredged Material in the San Francisco Bay Region**

*LTMS Management Plan*  
**July 8, 1999, 9:30 a.m. to 1:30 p.m.**

**San Francisco Bay Conservation and Development Commission**  
**30 Van Ness Avenue, Suite 2011**  
**San Francisco**

(If you arrive by BART, exit at Civic Center; if you arrive by MUNI, exit at Van Ness)

The July 8, 1999 workshop will focus on sediment suitability determinations for in-Bay, ocean, and upland/wetland/reuse sites and the use of dredged material at landfills. The LTMS agencies have prepared three issue papers, which should help you prepare for the upcoming workshop. As a reminder, **the July 8 workshop will include a working lunch** so please bring a lunch or pick one up either before the workshop or during the break. If you have any questions, please contact us.
