FY 04 AND 05 ACCOMPLISHMENTS: Available funds will be used to complete the Reconnaissance Study report in May 2004.

ISSUES AND OTHER INFORMATION: FY 03 Congressional add funds were used to initiate the Reconnaissance Study in July 2003 at full Federal expense. FY05 tasks are not funded in the budget. This lack of funding will prevent the initiation of the Feasibility Study in 2005. Ramifications of this study delay are not yet known.
