

March 10, 1999

Russian River Watershed Community Council Members and Alternates:

Our next Council meeting will be held on Saturday, March 27th at the Veteran's Memorial Hall in Cloverdale at 205 West First Street. We have enclosed the following items for your review: 1) agenda, 2) draft minutes from the last meeting, 3) the current roster of Council members and alternates, 4) proposal by the Mission Working Group, and 5) proposals by the Structure/Membership Working Group.

At the last meeting on January 23, the Council discussed options for supporting Council meetings while we wait for a decision by the California Resources Agency about state support for the Council. As a result of that discussion, the planning group accepted an offer by Interaction Associates to facilitate this meeting free of charge, the North Coast Regional Water Quality Control Board has agreed to do the mailings for the time being, and Sonoma County will provide the room and refreshments. The general public mailing list has also been purged and duplicative names have been removed.

If you have any questions, feel free to call us at the numbers below. You also contact Cathy Bleier, Resources Agency Russian River Coordinator, at 916-322-9721. Council minutes, handouts, the PSP, and other items are available at <http://www.spn.usace.army.mil/russian>.

Sincerely,
