

DEPARTMENT OF THE ARMY
SAN FRANCISCO DISTRICT, U.S. ARMY CORPS OF ENGINEERS
450 GOLDEN GATE AVENUE
SAN FRANCISCO, CALIFORNIA 94102

PUBLIC NOTICE

**REQUEST TO ALTER US ARMY CORPS OF ENGINEERS CIVIL WORKS PROJECT
PURSUANT TO 33 USC 408 (SECTION 408)**

Section 408 Request ID: 408-SPN-2019-0007

Requester: Pacific Gas and Electric Company

Alteration Being Proposed: PG&E ILI Upgrade Project I-010C- Location C

Description of Alteration: The scope of work entails replacing the two existing 90-degree long radius elbows that offset PG&E's gas pipeline under the San Leandro Creek with longer bend radius (3R) elbows and smaller angles (45 degrees). This replacement will allow PG&E's in-line inspection tool to navigate through the gas pipeline which will lead to better collection of data for the pipeline underneath the creek. This work will be completed within an approximately 8-inch-by-30-inch bell hole. The work is expected to occur within a surrounding 12,000-square-foot work area.

Location of Alteration: The project site is located along San Leandro Creek at 10600 Bigge Street in San Leandro (37°43'42.31"N, 122°11'19.61"W).

Comment Period Expires: September 28, 2019

Submitting Comments: Please submit written comments by September 28, 2019 to the following address.
