SPN Contracting Chief: Mary.Fronck@usace.army.mil

The screenshot shows the SAM.gov homepage. At the top left is the SAM.GOV logo. To the right is a badge that says "Official U.S. Government Website 100% Free". The main content area is divided into two columns. The left column lists services: "Contract Opportunities (was fbo.gov)", "Contract Data (Reports ONLY from fpds.gov)", "Wage Determinations (was wdol.gov)", "Federal Hierarchy (Departments and Subtiers)", "Assistance Listings (was cfda.gov)", "Entity Information (Entities, Disaster Response Registry, and Exclusions)", and "Entity Reporting (SCR and Bio-Preferred Reporting)". The right column features a "NEW Learn More" link above a section titled "Register Your Entity or Get a Unique Entity ID", which includes the text "Register your entity or get a Unique Entity ID to get started doing business with the federal government." Below this text are three buttons: "Get Started", "Renew Entity", and "Check Registration Status".
