Crowdsource Reporter Guide

Thank you for your interest in the Bay Model Visitor Center and for your willingness to provide valuable feedback!

- Crowdsource Reporter is an online tool that allows comments to be made electronically about the Bay Model Visitor Center Master Plan.

- It offers a way to provide valuable public input and to share this opportunity with neighbors, family, friends and anyone with an interest in the Bay Model.

- To access the Crowdsource Reporter, follow the instructions outlining the different ways for access.

- Scan this QR code on your smart phone QR reading application:

- Visit the following website to access a direct link to Crowdsource Reporter: https://www.spn.usace.army.mil/master-plans/
- Enter the following link into your computer browser: https://usace.maps.arcgis.com/apps/CrowdsourceReporter/index.html?appid=a23582aac7f84132a308c1ca75e9f3fa
- Email us at baymodel@usace.army.mil to request a link and to ask any questions.

- Once on the site, there will be guiding instructions. In general, click on where you desire to place a comment, type the comment and submit.
