

# SEAWEED SOIRÉE

**Saturday, November 16, 2019**

**7-9:30 pm at the Bay Model Visitor Center, Sausalito**

Artwork by Josie Iselin: "Brown, Red and Green"

## AN ADULT EVENING OF SEAWEED SCIENCE AND ART

Learn about the secret lives of seaweeds and kelp forests from Dr. Karina Nielsen, Director of Estuary Ocean Science Center and Professor of Biology at San Francisco State University. Enjoy the fine art photography and research of artist and author Josie Iselin, whose work on marine algae explores the space where art and science converge. Farallones Kelp Recovery Coordinator Rietta Hohman will close the evening with a Q&A to discuss the efforts to address the decline of bull kelp forests along our coast.

**TICKETS \$20**  
Includes 2 beverages.
