

We are recommending the following schedule for submitting the Pre-Filing Meeting Request Form to ensure we can issue a permit within the required timeframe:

Type of Certification	When to Submit Pre-Filing Meeting Request
Single Episode Maintenance Dredging Requiring a Sampling and Analysis Plan (SAP)	With the SAP
Multi-Episode Maintenance Dredging with a First Episode Approval	With the SAP
Single Episode Maintenance Dredging Requiring a Tier 1 Analysis	30 Days Prior to Submitting an Application, submit by email (rb2-dredgereports@waterboards.ca.gov)
Single Episode Maintenance Dredging Requiring a Tier 1 Analysis with Confirmatory Chemistry	30 Days Prior to Submitting an Application, submit by email (rb2-dredgereports@waterboards.ca.gov)
Multi-Episode Maintenance Dredging Without a First Episode Approval	30 Days Prior to Submitting an Application, submit by email (rb2-dredgereports@waterboards.ca.gov)
New Dredging Work	30 Days Prior to Submitting an Application, submit by email (rb2-dredgereports@waterboards.ca.gov)

To facilitate discussions on timing of permit issuance and application requirements, we appreciate notification (rb2-dredgereports@waterboards.ca.gov) of upcoming permitting requests ahead of receiving the Prefiling Meeting Request.
