# Liberty Glen Campground At Lake Sonoma

3288 Skaggs Springs Road  
Geyserville, Ca 95441  
(707) 431-4533

<http://www.spn.usace.army.mil/Missions/Recreation/LakeSonoma.aspx>

Liberty Glen is the only campground at Lake Sonoma with drive-in access. Liberty Glen offers campsites for tents and RV's as well as single-family sites, larger double sites and a group area. No electrical hook ups are available. Liberty Glen provides excellent access to our hiking trails. Access to the shoreline of the lake is by trail or by car. In order to maintain a family friendly and safe environment, we ask that you follow these simple guidelines:

### Important Car Camping / RV Access Update

The dump station at Liberty Glen is in-service; flush toilets and showers are available along with portable restrooms.

Reservation can be made up to day of camping, and we no longer accept any "first come, first served" campers.

<i>Single Site</i>	\$25.00	<i>Double Site</i>	\$50.00	<i>Cabin</i>	\$75.00
<i>Extra vehicle fee (for each vehicle above the first two)</i> \$3.00/vehicle					
<i>Group Sites</i>	\$100.00	<i>Equestrian Group Site (dry camp)</i> \$50.00			

### Check-in/Check-out

All campers are required to check-in at the Liberty Glen entrance booth. If the booth is not staffed, campers should follow the instructions posted on the bulletin board by the entrance booth. Extra vehicle fees can be paid by deposit envelope. Checkout time is 12:00 noon of the final day of your visit. Failure to vacate the site may result in additional camping fees and/or a citation, unless prior arrangements have been made.

### Fires

Campfires are permitted only inside the fire-ring at designated campsites. Tiki torches are not allowed. Campers may gather **DEAD** and **DOWNED** wood only. Firewood is available for sale at the front entrance booth.

### Emergency Access

Cell phones do not have clear communication in all regions of the park. In addition, dialing 9-1-1 by cell phone routes the call through the CHP in Benicia. If calling by cell phone in an emergency; call the Sonoma County Sheriff's Office Dispatch at (707) 565-2121. If calling by pay phone dial 9-1-1.

### Juveniles

No person under 18 years of age is allowed to register for a campsite. Minor(s) under 18 years of age while camping on Lake Sonoma/Warm Springs Dam Project premises must, at all times, be accompanied and supervised by a parent or legal guardian. For age verification purposes, anyone appearing to be under 25 years of age must be in possession of valid photo identification, showing date of birth. Anyone under 21 years of age is prohibited from possessing or consuming alcoholic beverages while on Lake Sonoma/Warm Springs Dam Project premises.

### Quiet Hours

All generators, radios, and other noise producing equipment must be turned off between the hours of 10:00 PM and 6:00 AM. Disturbing the peace at any hour may be grounds for removal from the park and loss of fees paid.

### Pets

Pets must be on a maximum 6-ft. leash at all times. Pets must not remain unsupervised in a campsite at any time. Campers are responsible for cleaning up after their pets.

### Refunds

Lake Sonoma does not give immediate cash refunds back to the customer. Family emergencies do occur and the National Recreation Reservation Service will process refund requests if you have to cancel or leave early. Refunds are generally not granted for changes in weather, insects or other natural phenomenon. Contact park staff immediately if you have a problem with your campsite.

### Extra Vehicles

Your camping permit includes entry for a maximum of two "vehicle units" and 8 people for a single-family site. Thus a single campsite may contain two autos, an auto with a trailer, or one large recreational vehicle. Please call the Visitor Center if you need to arrange for extra parking; additional fees may apply.

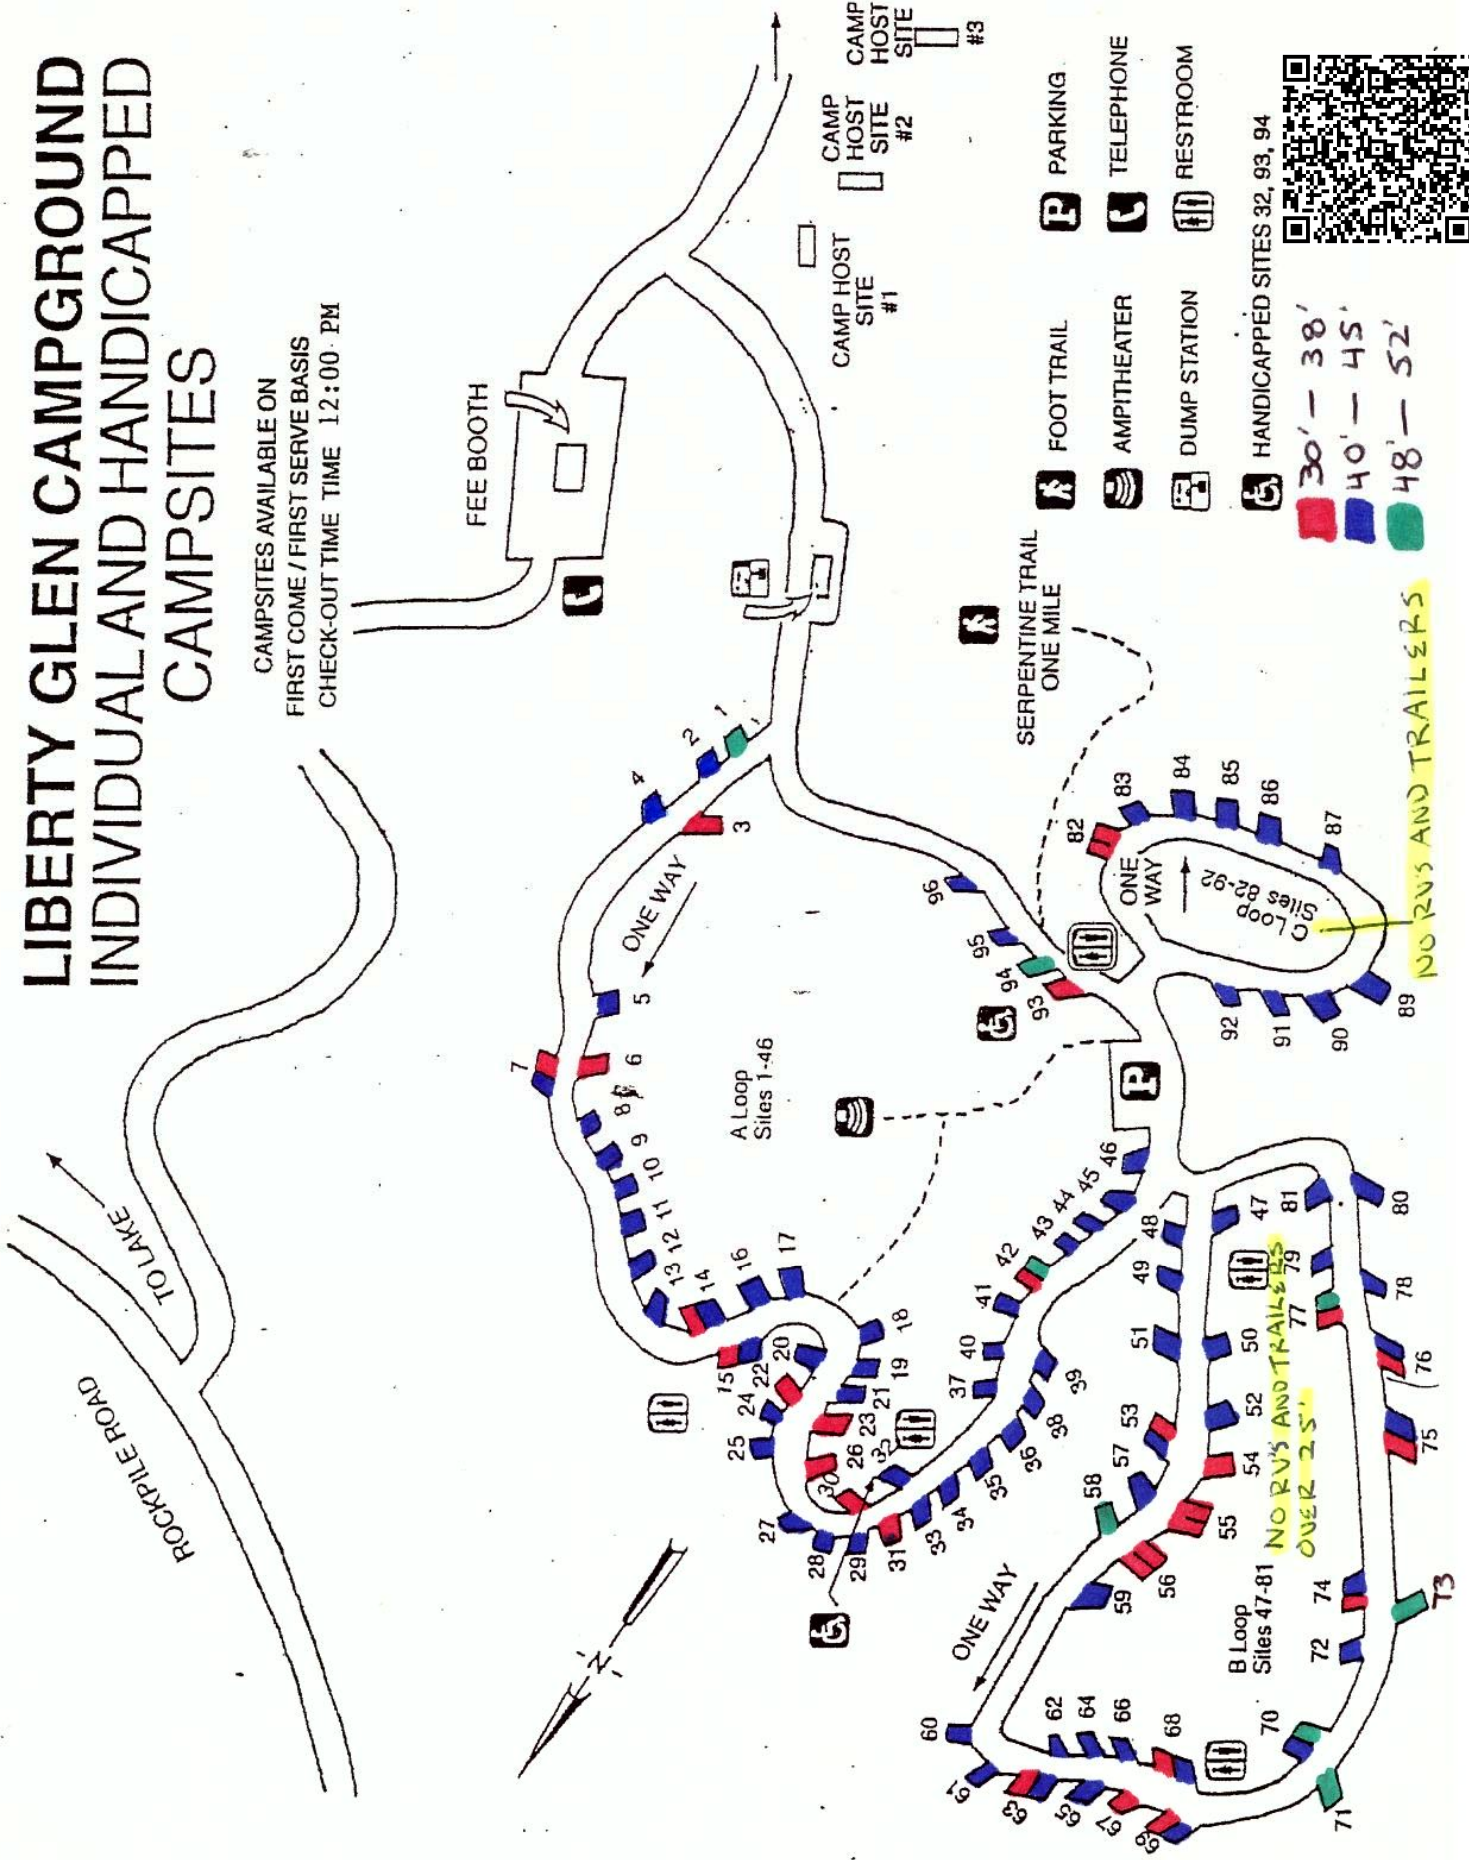

### Campground Gate

The campground gates are locked at all times. The combination will be supplied with your reservation. Cars will be able to exit Liberty Glen at any time.
