Need a place to hold a family reunion, outdoor wedding reception, baptism, or team sports party? Warm Springs Recreation Area is just 25 miles north of Santa Rosa and is a great place to hold any kind of group gathering. Consider reserving a group picnic shelter within the Warm Springs Recreation Area at Lake Sonoma. Try your own BBQ skills on the grill or bring your favorite caterer! The large lawn area is ideal for field sports and “jump toys” for children. Interesting exhibits also await your group at the Visitor Center and Fish Hatchery.

In order to maintain a family friendly environment, we ask that all visitors please follow these park policies:
