450 GOLDEN GATE AVENUE
SAN FRANCISCO, CA 94102

NOTICE TO RECREATIONAL BOATERS

U.S Army Corps of Engineers Channel Maintenance Dredging
Beginning in the Inner Turning Basin adjacent to the Port's Wharf 5 and
Ending at the Channel Entrance to S.F. Bay

- Dredging operations are expected to commence on or after 15 JULY 2026.
- Dredging will occur 24/7 until project completion, tentatively early NOVEMBER 2026.
- Contact Information
 - USACE Project Engineer: Kelly Williams (916) 524-1977
 - Contractor: HME Construction Inc.
 - Contractor Project Manager: Evan Gross (503) 250-1827

Boaters should watch out for the following equipment
and vessels that will be involved in the project:

- Tugs, Dredge Barges and Dump Scows
- Survey and Crew Boats
- White mooring Buoys with blue stripe topped with white lights

Recreational boaters should consider the following:

- The dredge will be working VHF radio channel CH 67 or 69 and monitoring 13 and 14 for communication of recreational boaters' intentions.
- Be Visible and attach lights for dredge/tugs/survey boats to see recreational boaters during nighttime hours.
- Keep adequate distance from dredge to avoid the swinging bucket and moving equipment. Do not go alongside the dredge.
- Keep 500ft distance from the tugs, scows, & dredge while scows are being swapped out at the dredge. Never go between the scow and dredge.
