PUBLIC NOTICE

**REQUEST TO ALTER US ARMY CORPS OF ENGINEERS CIVIL WORKS PROJECT
PURSUANT TO 33 USC 408 (SECTION 408)**

Section 408 Request ID: 408-SPN-2019-0002

Requester: Santa Clara Valley Water District

Alteration Being Proposed: Upper Berryessa Creek utility line relocation

Description of Alteration: The purpose of the proposed project is to remove an existing below-ground electric line crossing under Berryessa Creek and replace it with a pole-mounted overhead line. The overhead line will cross the creek at the same approximate location as the underground line it will replace. The existing line and steel conduit protecting it will be abandoned in place to prevent disturbance of aquatic habitat within the creek channel.

Location of Alteration: The project site is located along Upper Berryessa Creek within the City of Milpitas, approximately 0.25 miles north of the intersection of South Milpitas Boulevard and Montague Expressway (-121°53'16.8" W, 37°24'57.6" N).
