SAN FRANCISCO DISTRICT, U.S. ARMY CORPS OF ENGINEERS  
450 GOLDEN GATE AVENUE  
SAN FRANCISCO, CALIFORNIA 94102

## PUBLIC NOTICE

### REQUEST TO ALTER US ARMY CORPS OF ENGINEERS CIVIL WORKS PROJECT PURSUANT TO 33 USC 408 (SECTION 408)

**Section 408 Request ID:** 408-SPN-2021-0003

**Requester:** Santa Clara Valley Water District

**Alteration Being Proposed:** Install a Bike Repair Station adjacent to the Uvas Creek Levee Trail.

**Description of Alteration:** The proposed bike repair station includes an installation of a 4-inch thick, 45-inch by 90-inch concrete pad and a bicycle fix it station with air pump for bicycle maintenance along the Uvas Creek Levee (Levee) trail. The concrete pad will match the existing grade of the AC pathway on the levee. Since the AC path is 2 inches above the finish grade of the levee, the City will be keying in 2 inches into the levee. In accordance with the manufacturer recommendations, the bicycle fix-it station will be anchored directly into the pad and no additional foundation will be needed.

**Location of Alteration:** The proposed project is adjacent to the Uvas Creek Levee Trail, near the Miller Avenue and Uvas Park Drive intersection in Gilroy.

**Comment Period Expires:** March 30, 2021

**Submitting Comments:** Please submit written comments by March 30, 2021 to the following address.
