SAN FRANCISCO, CALIFORNIA 94102-3404

August 17, 2023

SUBJECT: South San Francisco Bay Shoreline Phase II Study

Mr. Rick Callender  
Chief Executive Officer  
Santa Clara Valley Water District  
5750 Almaden Expressway  
San Jose, CA 95118

Dear Mr. Callender:

Section 1002 of the Water Resources Reform and Development Act of 2014 requires the U.S. Army Corps of Engineers District Engineer to notify non-federal sponsors regarding feasibility study milestone schedules for active studies.

For the South San Francisco Bay Shoreline Phase II feasibility study, the milestone schedule consistent with the 3x3x3 exemption approved by Assistant Secretary of the Army (Civil Works) on 29 September 2021 is:

- a. Release of Draft Report – 31 July 2023
- b. District Engineer submits final feasibility report – 25 November 2024
- c. Signed Chief's Report – 26 April 2025

Release of the Draft Report has not been achieved and we continue to work with your staff on next steps for the study.

If you have any questions, please contact Ms. Erika Powell, Project Manager, at 415-793-1515.

Sincerely,

Timothy W. Shebesta  
Lieutenant Colonel, U.S. Army  
District Commander and Engineer
