MEMORANDUM FOR Commander, San Francisco District (CESPN-ECE-W/Ms. Janice Lera-Chan) 450 Golden Gate Avenue, San Francisco, CA 94102

SUBJECT: South San Francisco Bay Shoreline 1 Interim Operations, Maintenance, Repair, Replacement, and Rehabilitation (OMRR&R) Manual Review Plan

1. References:

- a. Engineering Regulation (ER) 1165-2-217, Civil Works Review Policy, 2 September 2024.
- b. Engineering Manual (EM) 1110-2-401, Operation, Maintenance, Repair, Replacement and Rehabilitation Manual for Projects and Separable Elements Managed by Project Sponsors, 30 September 1994
- c. Engineering Regulation (ER) USACE Business Process, 31 July 2018

2. The review plan for South San Francisco Bay Shoreline 1 Interim Operations, Maintenance, Repair, Replacement, and Rehabilitation (OMRR&R) Manual has been prepared in the format prescribed in the latest ER 1165-2-217 (Reference 1.a.) and will ensure a quality-engineering project is developed.

3. This Review Plan (RP) update is for the review of the Construction Completion Report and Interim Operations, Maintenance, Repair, Replacement, and Rehabilitation (OMRR&R) Manual for South San Francisco Bay Shoreline Phase I Project (P2# 458135). As part of the Project Management Plan this RP establishes an accountable, comprehensive, life-cycle review strategy for Civil Works products and lays out a value-added process and describes the scope of review for the current phase of work. This RP will be provided to the Project Delivery Team (PDT), DQC Team, and ATR Team. The District Chief of Engineering has assessed that the life safety risk of this project is not significant; therefore, a SAR will not be required

4. The enclosed review plan for South San Francisco Bay Shoreline 1 Interim Operations, Maintenance, Repair, Replacement, and Rehabilitation (OMRR&R) Manual has been prepared in accordance with the EM and ER in references 1.b and 1.c. The review plan was reviewed by the DST, is found to be policy compliant and legally sufficient, and is hereby approved.
